The left sidebar contains navigation links for 'Cloud Object Storage', 'Storage instances', 'Cloud Object Storage-c2', 'Buckets', 'Integrations', 'Endpoints', 'Usage details', 'Service credentials', 'Connections', and 'Plan'. The main content area shows the bucket details, including a search bar, a 'Prefix filter' input, and a table of objects. The table has columns for 'Object name', 'Archived', 'Size', and 'Last modified'. The objects listed are:
